The image shows a 5x2 grid of dot patterns. Each row consists of a 5x5 dot grid with a colored shape drawn on it, and an empty 5x5 dot grid to its right. Blue arrows above the first two rows indicate the direction of copying. The shapes are:

- Row 1: A blue cross-like shape.
- Row 2: A pink star-like shape.
- Row 3: A green square with an inner square.
- Row 4: A red shape resembling a stylized 'X' or a cross with a vertical bar.
- Row 5: Five small grey triangles arranged in a pattern.

The second column contains empty 5x5 dot grids for drawing the mirrored shapes.

Litaðu og teldu ávextina og merktu við réttann tölustaf.
